Woman Uses Razor.

In a jealous rage after she had been chided by her neighbors' Carmelo Puapolo, a pretty Sicilian, of Newark, N.J., terribly mutilated Domencio Granito, of Newark, with a razor, while he lay sleeping in his bed, and then made her escape. With his stomach ripped completely open, Grauito was found in a pool of blood on the floor of his room and was removed to a hospital in a dying condition. A general alarm has been sent out, and detectives are now scouring the city colonies to find the woman. The fugitive, who is married, left her husband according to the colonies to find the woman. band several months ago and went to live with Grauito. The two were the subject of much comment in the neighborhood, and many told the woman that Grauito was about to desert her for another woman. Last night, so the police say, the woman gave credence to a story told her and she remonstrated with Grauito, with the result that the latter replied that he would leave her yesterday. The woman said nothing more but before Granito awoke this morning she stole quietly into his room and inflicted the horrible wounds.

Escapes Would be Lynchers. An unknown Italian, who, it is alleged, attempted to kidnap Helen White, a child five years old, in Pittsburg, Pa., a day or two ago, narrowly escaped lyaching in Allegheny yesterday after-noon, and was only saved from serious injury by the arrival of the police. The Italian first gave the little girl peanuts and candy, and was starting away with her in his arms, when he was seeu by a neighbor, who pulled the child from him. The report quickly spread that it was the work of the Italian society of the "Black Hand," and a crowd of nearly 1,000 soon surrounded a tenement-house in which the Italian had taken refuge. Cries of "Lynch him!"
were numerous, and efforts were being
made to capture him when the police
arrived. The Italian was found hiding behind a bed, and was taken to the station house, followed by a large crowd.

After he had been locked up the mob

# MRS. HELENA BLAU,

EN thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

Any woman who is silently suffering intold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Last summer I suffered constantly with Sore
